

SERVICES OFFERED**Information Service**

Situation reports (SITREP) are broadcast at fixed times, and reports to individual ships are broadcast on demand. Request for individual reports are to be made on VHF CH 63 or CH 20 (as appropriate) to Jade Traffic

Time of SITREP: Every hour + 10 minutes on VHF CH 63 or CH 20 in German, on request in English

Content of SITREP:

1. Information relevant to making a safe passage through the VTS area
2. The general fairway and traffic situation (weather, casualties, dredging, pilot information)

Navigational Assistance Service

Provided on request or if instructed by VTS Centre Jade Traffic

1. If visibility is less than 2000 metres
2. If Pilot cutter is in a sheltered position
3. If light buoys are withdrawn due to ice
4. If required by the traffic situation or requested by vessel concerned

Language: German, or, on request, in English

Content: Regular own ship position information and information concerning other traffic. Advice on course to steer on request

REQUEST: Call Jade Traffic

GIVING: IMO SRS Items: Alpha Delta for identification

VIA: VHF CH 63 or CH 20 (as appropriate)

Traffic Organization Service

Prevention of accidents, control of traffic flow by information, warning, advice or instruction
