CONFIRMATION OF ARRIVAL

The master of every vessel of 300 GT or more or tug engaged in towing or pushing if the combined GT of the tug and tow or vessel(s) being pushed is 300 GT or more or any passenger vessel intending to call at Singapore shall report by VHF radiotelephone the Confirmation of Arrival to VTIS when passing the appropriate reporting points, together with information on the vessel's particulars as follows:

a)	Vessel's Name
b)	Call Sign
c)	Present Location (with reference to any one of the designated reporting points, e.g. when Horsburgh Lt is abeam)
d)	Number of passengers and Crew (Applicable only for passenger vessels calling at Singapore)
e)	Estimated Time of Arrival (ETA) at first destination in the Port or the name of the pilot boarding ground for a vessel engaging the service of a pilot
f)	Height of vessel above waterline (Applicable only if height differs from that provided in the Notification of Arrival report)
